

ANNUAL INDEX 1958

A limited number of tearsheets are available for most articles. For your free copies, write TEARSHEETS on reader service postcard in this issue, and indicate month and page number as listed below.

ABRASIVES	COMMUNICATIONS
Abrasive wheel saves 50% on cleaning jobs* Feb 47 40 best abrasives manuals Feb 65	A pocket whistle means you're wanted* May 37 Bridging the gap in sprawling Western plants May 37 In-Plant Communications—A special WI report (8 pages) detailing the use of telephones signalling devices teletype radio closed circuit television, etc. in sprawling Western plants. Followed by a buyers' directory of Western sales outlets and by reviews of best available manuals Nov 35 Two-way radio obtains maximum efficiency* Jan 60
AIR POWER APPLICATIONS	etc. in sprawling Western plants. Followed by a buyers' directory of Western sales outlets and by
Air-driven router gives simple answer* Mar 40 Special roundup of how, when and why to use air power added to latest facts on compressors, valves,	reviews of best available manuals Nov 35 Two-way radio obtains maximum efficiency* Jan 60
couplings, etc. Sept 34	CUTTING & GRINDING
	Cutting efficiency doubled with diamond blade* Jan 43
ASSOCIATIONS AND SOCIETIES	New saw blade lasts 10 times longer* Jan 55 Preventing time-cost deburring figures from rocketing* Jan 43
Eight articles on technical associations and societies, including Materials Handling Conference, Electrical Industry Show, Material Handling Show, Southwest Minerals Conference, Missile Show and Conference,	DRILLING
Lumbermen's Committee, Arizona chapter of Sir Mile,	Drilling steps up from 1 to 10 holes at the same time* Jan 44 Tool changes, handling costs cut by bank of drill presses* Jan 52
new chapters of AIPE light items on activities of associations and societies, including AMHS-SIPMHE merger, WESCON field trips, maintenance seminar, new officers, etc. July 16 light items on chapter scrivities including new officers	ELECTRICAL CONTROLS, MOTORS, MAINTENANCE
meeting announcements, etc. Oct 12	Aircraft electrical society show review Dec 70 Battery changing down to a science* Jan 75 50 manuals of electrical controls, reviewed and
Five articles on associations and societies	offered free to readers Latest tips on electrical maintenance
Four articles on chapter activities, including ASTE meet	90 best manuals on electric motors and controls
14 items on activities of Western chapters, including	reviewed—free for the asking
institute metal show program, etc Nov 12 Interview with H. A. Kilmer, SIPMHE head,	Repairing electrical equipment in 24 hrs. July 34
on packaging future May 52	Rundown of Electrical Maintenance Conference Jan 20 Small motor reduces cost in servicing and shipping* Jan 61
SPHE changes chap, name to "Golden Gate" Dec 10	Switches prevent damage to costly equipment* Jan 54
Items on chapter activities, including Northern Calif. SPHE changes chap, name to "Golden Gate" Dec 10 "Merger can't take piace for a year"—exclusive interview with Harold A. Kilmer, SIPMHE Western regional director Sept 25 Pictorial review of ASTE show Oct 78	Switches prevent damage to costly equipment* Jan 54 This is the end to your cable laying problems* Jan 71 Two-stage generator removes steam contamination* May 50 Voltage regulator, variable drives boost production 50%* Jan 57
Seven articles on activities of Western chapters,	
including WESCON sessions and exhibits SIPMHE officers ASTE show new officers, etc Aug 8 Three main stories on associations and societies,	FASTENERS
conference Air Conditioning & Ventilating	60 best fasteners manuals reviewed. Jan 77 Western use of fasteners highlighted* Nov 84
conference Air Conditioning & Ventilating Exhibit Rocky Mountain M-H clinic April 14 21 articles on associations and societies, including	HYDRAULIC POWER APPLICATIONS
21 articles on associations and societies, including new officers of Western chapters of AMHS, SIPMHE, AIIE, AIPE and reports of other	
Western chapter activities May 12 Western AMH; vice president outlines plans. WI interview with Hiram D. Smith June 21	Hydraulic motor is the torque of the West*. Feb 63 Hydraulic truck lowering mechanism* Dec 36 Using hydraulic-powered shear to increase production* Aug 49 Single hand lever hydraulic lift* Dec 38 Special roundup on latest uses of hydraulic power including pumps, cylinders, valves and gages, etc. Sept 36
AUTOMATIC PRODUCTION	merading pumps, cymiders, valves and gages, etc Sept 30
	LUBRICATION
Achieving "everything but the squeal". Dec 23 "Brainstorming" for automatic production Feb 40	Automatic lubrication doubles ring life* Jan 67
Automatic devices supply heartheat for new tacilities? Jan 48	Proper lubricant halts heating of bearings, switches* Jan 70 20 best lubrication manuals, reviewed and offered free June 59
Automatic machine for a satin finish* Automatic stackers, machine tools hike production Cement mixers make more than putty putty* Jan 54 Getting your share of missile production July 25 Giant roller leveler permits manufacture	White grease solves every problem in lubrication* Jan 63
Getting your share of missile production July 25	
	MAINTENANCE
New extraction method for dried nepper* Feb 60	Achieving ventilating, heating at the same time* Jan 73
	Answers to your industrial waste problem Mar 42 Asbestos shield guards against acid Dec 40 Bag-house collector cuts smoke hazard Aug 33
Reducing operations from 3 to 1 July 35 Special device for zig-zagging wire* Feb 60 Stamping proves economical for short-run work* Oct 47 Tin plate output upped with continuous annealer* Oct 47 West claims first electronically controlled	Best cooling tower manuals, reviewed and offered free Nov 55
Stamping proves economical for short-run work* Oct 47 Tin plate output upped with continuous annealer* Oct 47	Best cooling tower manuals, reviewed and offered free Nov 55 Blending art, science for controlled ventilation* Feb 62 Brightening production with glare-free lighting* Jan 64
West claims first electronically controlled machine tool line	Brightening production with glare-free lighting* Jan 64 Building a floor above a floor with plywood panels* Jan 67 Camera probes into blast furnace belly* May 47 Carbide paper slitters eliminate dust, smudge problems* Aug 47
Apr 100	Carbide paper slitters eliminate dust, smudge problems* Aug 47
	Cleaning jobs on pistons cut 50%*
CASTINGS	"Conditioned Air"—a special eight page report detailing "What it is What it can do for you Putting it in your plant." Followed by a
Castings cleaned by Wheelabrator after long trip* Aug 48 Rotoblast tables saves 25% on cleaning castings* Jan 50 Saving time, money by using continuous cast bronze parts* Jan 46	Cleaning jobs on pistons cut 50% s smudge proolems Aug 47 "Conditioned Air"—a special eight page report detailing "What it is What it can do for you Putting it in your plant." Followed by a directory listing 150 Western sales outlets for air conditioning equipment, and by 25 best manuals on air conditioning

Conserving vital water for thirsty machinesJ				
	uly 3	10	No more load damage with woven wire sling*	an 38
Conserving vital water for thirsty machines. Dirt wipes off with disposable wipers* Double ring life, cut oil consumption* Electrical Maintenance Conference preview* Electronic precipitator licks smog* Exchange of letters on anti-pollution program. Flexible ducting increases output* For door openers use vinyl hinges* 40 manuals on water conditioners	Jan 6	17	Outdoor Storage and Handling—A special WI report (8 pages) detailing "What you can store" "Storage means handling" "You don't have to be a genius". Followed by 30 best manuals on outdoor storage and handling equipment	
Electrical Maintenance Conference preview*	Jan 2	20	means handling" "You don't have to be a genius".	
Electronic precipitator licks smog*	Jan 7	01	Followed by 30 best manuals on outdoor storage and	11 of 25
Flexible ducting increases output*	uly 4	10	Pacemaker Idea—Floor handling at Purity Warehouse A	pr 40
For door openers use vinyl hinges*	Feb 5	52	Panadling equipment. Pacemaker Idea—Floor handling at Purity Warehouse A Pacemaker Idea—Handling hyy, beams at Butler Mig. Co. A	pr 46
40 manuals on water conditioners, reviewed and offered free	Nor 6	19		
Giant cleaner sucks up dust: clears the air*	Feb 5	50	Golden Grain Co. Pacemaker Idea—Overhead handling in metalworking plants Palletizing 120,000 units in 24 hrs. Pictorial review on M-H and Packaging Show in S. F. S.	ipi sa
Glassed pump is highly resistant*	Dec 3	36	metalworking plants	pr 44
Halt heating of bearings, switches	Jan 1	10	Palletizing 120,000 units in 24 hrs.	Oct 34
Hardfacing provides life insurance for	Feb !	50		
Hot rocket fuel comes clean in portable shower*	Feb :	59	Pocket profits now by leasing M-H equipment	pr 48
How to clean castings after long trip*	Aug 4	18	Pocket profits now by leasing M-H equipment Powerized floor conveyor-strapper ups shipments Production soars sky high with overhead crane* Push-button lifting solves handling* Rack costs cut 40% with slotted angle* "Roughneck" trucks smooths the way for talcum powder* Stood benedicted the solves and the solves are solves and the solves and the solves and the solves and the solves are solves are solves are solves and the solves are solves are solves are solves are solves and the solves are solv	uly 44
How to halt scale, corrosion costs*	Jan 7	/5 18	Production soars sky nigh with overnead crane*	Dec 40
Induced vacuum cuts air bubbles in mixing pot*	Sept 4	15	Rack costs cut 40% with slotted angle*	lov 49
Infra-red heaters protect steel parts*	Oct 4	49	"Roughneck" trucks smooths the way for talcum powder.	an 37
Keeping daily maintenance records on lift trucksJ	une :	30	Sand handling? It's child's play*	oct 37
"Let's clear the air and stop smog before it's too late"	DELETE O	30	Save 16 man-hours with fork lift operation*	Apr 58
Hardfacing provides life insurance for rollers in crusher* Hot rocket fuel comes clean in portable shower* How to clean castings after long trip* How to halt scale, corrosion costs* "Impossible to handle" acids meet their match* Induced vacuum cuts air bubbles in mixing pot* Infra-red heaters protect steel parts* Keeping daily maintenance records on lift trucks J Killing fires by process of venting "Let's clear the air and stop smog before it's too late" (Special WI interview with Benjamin Linsky, air pollution officer. San Francisco Bay Area) Low cost, easily installed piping*	_		Sand handling? It's child's play* Save handling costs with line rollers* Save 16 man-hours with fork lift operation* Saving handling time with steel strapping*	Jan 39
pollution officer, San Francisco Bay Area)	Jan :	33 54		Dec 21
Lubrication problem solved with white grease*	Jan	63	Seven page preview of Western Packaging and Materials Handling Exposition Aug. 11-13 in San Francisco.	
Machine shop on wheels rushes to hot spots*	Nov !	50	Contains a booth-by-booth rundown of who's exhibiting what and gives names of personnel manning booth.	
Maintaining dies with a dry honer machine*	Feb	56	what and gives names of personnel manning booth. Also includes floor plan and exhibitors' list	uly 51
New valve slashes maintenance costs*	Jan	76	Siv-nage preview of Western Material Handling Confer-	
One man replaces 20 in polishing job*	Jan	64	ence in Los Angeles. Includes a description of booth	
pollution officer, San Francisco Bay Area) Low cost, easily installed piping* Lubrication problem solved with white grease* Machine shop on wheels rushes to hot spots* Maintaining dies with a dry honer machine* New spray paint setup at Ampex Corp. New valve slashes maintenance costs* One man replaces 20 in polishing job* Plastic, glass cloth team up for truck overhaul Prevent concrete cracking or spalling with metallizing* Pump on wheels saves chemical firm maintenance costs* J Reconditioning units stoos abrasive solids*	Jan	71	ence in Los Angeles. Includes a description of booth, floor plan of exhibit, and personnel manning booth. Shipping problem solved by steel strapping. 60 best manuals on conveyors, reviewed and offered free.	Apr 65
Pump on wheels saves chemical firm maintenance costs* J	une	56	60 best manuals on conveyors, reviewed and offered free	Apr 80
Reconditioning units stops abrasive solids*	Jan	74	60 best manuals on industrial trucks,	
Redesigned lighting system ups production*	Feb	56	reviewed and offered free	Dec 43
Reconditioning units stops abrasive solids* Redesigned lighting system ups production* Reduce maintenance by using efficient steam traps. J Resilient asbestos lives 5 times longer* Retipping rotary drills saves \$19,000 a year*. Review of best lubrication and lubricants literature. J	Feb	58	60 best manuals on industrial trucks, reviewed and offered free Skelp, strip steel handling's easy with conveyor*. Solving pipe coupling chore* Solving twin handling problem at auto plant* Space, storage problems solved with lift trucks* Special handling units cut plant costs Standard shelving slashes office expenses* Steel strapping cuts cost, speeds loads* Steel shelving solves lost tool chaos* Steel strapps rob filchers of easy pickings* Storage jumps from sq. ft. to cu. ft. basis* Storage problem eased with bulk containers* Third Industrial M-H and Packaging Conference preview	Oct 48
Retipping rotary drills saves \$19,000 a year*	July	40	Solving twin handling problem at auto plant*	Apr 62
Review of best lubrication and lubricants literatureJ	une	59	Space, storage problems solved with lift trucks*	Feb 52
Save money—hrush after huving*	Mar	41	Standard shelving slashes office expenses*	ulv 42
Saving pennies can mean your survival	Mar	33	Steel strapping cuts cost, speeds loads*	uly 40
Rotary gear pump solves 4 problems* Save money—brush after buying* Saving pennies can mean your survival Saving time, money by dust, scrap reclamation*	Jan	72	Steel shelving solves lost tool chaos*	uly 43
			Storage jumps from so ft to cu ft basis*	Mar 40 Feb 60
Sintered bronze filter keeps out brass chips*	Aug	49	Storage problem eased with bulk containers*	Nov 34
Ventilating Exposition Sintered bronze filter keeps out brass chips* Sluice collects metal chip in a tunnel*	.Oct	46	Third Industrial M-H and Packaging Conference preview	Jan 20
Special 8-page report covering Western Roofing. Details what can happen Why do roofs wear out			30 best manuals on hand trucks, reviewed and offered free 30-ft. custom van designed for utility* Trailer conveyor averts disaster*	Apr 80
new roofs maintenance. Followed by a buyers'			Trailer conveyor averts disaster*	Feb 48
new roofs maintenance. Followed by a buyers directory and by 15 of best roofing manuals. Startling results obtained with absorption filter.	June	35	Try stepping up production and ignoring handling	Jan 40
Startling results obtained with absorption filter*	Jan	72	25 assorted manuals on material handling,	
Today's best manuals on industrial pumps, reviewed and offered free.	Oct	50	received and offered free	
Transfer molding makes productivity soar*	Jan	65	Two new staffers do more than man-sized job*	Jan 38
Upping production through good lighting*	Feb	56	Two-page pictorial review of Western Material Handling Conference and Show	une 32
Well planned lighting ups production 25%*	Jan	69	Unitization extends to 55-gal. drums	
Transfer molding makes productivity soar* Upping production through good lighting* Valve service upped 700% using diaphragm valves* Well planned lighting ups production 25%* You've got 24-hr. lead time to stop corrosion*	Feb	52	Unitization—new M-H concept	
			Unitized loads increase handling speeds 300%	Aug 48
			Unitizing loads with steel strapping*	
MATERIAL HANDLING				
MATERIAL HANDLING			Unloading 20 carloads of wood chips a day*	
	.Feb	36	Unloading 20 carloads of wood chips a day*	Feb 54
